## Scientology Group Auditors Handbook Volume Two

**handbook for group auditing - avalon library** - in the early 1950's, group auditing was done by auditors who were themselves professional auditors of scientology but these auditors, and the church, began to train able persons into this specialized branch of scientology who were not themselves professional auditors but who quickly became competent group auditors. **scientology - vinaireles.wordpress** - auditors quite willing to use them, and these immediately began to obtain "miracle level" ... elementary group courses exist which, coupled with book study and, if possible study with a college associate, give one all the insight and skill necessary to accomplish results. ... in scientology 8-8008, we have seen that creative processing is ... **the scandal of scientology - apologetics index** - but that's just half the story, since scientology also trains people to become auditors. auditors don't even need a high-school education -- just more scientology courses. these courses generally take a couple of months, although scientologists sometimes boast that they can train some people to treat others in "less than twenty minutes". **the codes of scientology - iapsop** - the codes of scientology we realize that many of you may not have seen the codes by which we abide, so we are devoting ... scientology: group auditors handbook 2.85 - 20% discount to international members - (all orders prepaid) the distribution center, inc. **appendix 1: a scientology glossary - chris shelton** - appendix 1: a scientology glossary a key part of the scientology mind control is establishing its own ... group which uses manipulation and deceitful methods to draw people ... interpreted by scientology auditors as changes in the person's mind. **published by the hubbard association of scientologists ...** - to which scientology can be devoted, the best means of handling very large numbers of people in terms of enrollment for group processing and its performance on such masses. the operation will also seek to resolve problems arising between a central organization and independent auditors which include the procure **scientology and dianetics - stss** - scientology, laid end to end, do not encompass the entire nature of the preclear: they are only an approach to it. ... some new auditors feel that if they are careful to ... an auditing session is a group. this group is a thing in itself, and as itself it is trying to accomplish something, **starting a group - stss** - all successful scientology activities have financed themselves. in extreme, an auditor with no pcs to keep him going can get a job and run a group evenings until the income of the group activity makes the job unnecessary. the keynote of handling any area is to bring order. every time you put some order **the scientologist - wordpress** - this publication, the scientologist: a manual, is designed for use by members and auditors to inform them of the formation and function of the hasi, and the dissemination of scientology itself—these two subjects being more or less synonymous. this book is the product of experience and agreement. the hasi is organized as **suppressive acts suppression of scientology and scientologists** - continued adherence to a person or group pronounced a suppressive person or group by hco. failure to handle or disavow and disconnect from a person demonstrably guilty of suppressive acts. being at the hire of anti-scientology groups or persons. calling meetings of staffs or field auditors or the public to deliver scientology **understanding scientology - the-eye** - auditors have since the first session of scientology been the only individuals on this planet in this universe capable of freeing man. ... scientology is a destructive group that gradually alienates people from their family, friends, and their society. this is a group to stay away from at all cost. **the technical bulletins - true lrh** - the technical bulletins of dianetics and scientology by l. ron hubbard founder of dianetics and scientology volume i ... 1 nov. group dianetics (excerpt) 43 nov. the processing of children (dab 1-5) 44 ... 25 june first annual conference of hubbard dianetic auditors lectures (25 june—30 june) 123 july education and the auditor (dab 2-1) 124 ... **explanation by: dan koon - the inner secrets of scientology** - hindering scientology expansion. the few staff who were truly dedicated to stopping the show were termed list 1 r/sers. (i have heard from another that this project had been in the works even before the fbi raid, but i did not learn about it until late winter 1978.) an r/s is a rock slam, the wild and crazy manifestation of the e-meter needle. it **free scientologists dipl.-ing. andreas gross, switzerland ...** - free scientologists dipl.-ing. andreas gross, switzerland fs bulletin of december 27, 2007 remimeo ron's prophecy about the takeover of the church of scientology for christmas i'm going to allow myself an lrh lecture from june 6, 1955: what scientology is doing - in which he dared to state a prophecy about the development of scientology. **in this i-ss - truth about scientology** - of auditors have asked them before. the most ambitious, comprehensive, and systematic program is now underway to answer these and many other questions. the goal is to collect, analyze, interpret, and communicate data concerning dianetic-scientology and their applications. this is the records research program (rr?), now a project of the cza .
